Sidewalk Community Vending Meeting - THURSDAY EVENING

Street vending impacts Downtown LA and South Park very acutely, relating to issues of public health, trash, maintenance, safety, and the health of local businesses. Should it be legalized, it must be efficiently and effectively regulated.

Councilmembers Price and Huizar, who authored the motion and represent South Park together, need to hear our opinions on the matter.

Please continue to weigh in on this important matter and join City Council representatives at the following meeting:

**Thursday, June 18, 6 p.m.
Council Chambers, City Hall
200 N. Spring St., 3rd Floor
Los Angeles, CA 90012**

For those planning on attending, please reach out to Jessica Lall at jessica@southpark.la.
